To Whom It May Concern:

RTM Enterprises, Inc., led by Ron Marconi, has been a trusted partner of Baker Victory Services since our partnership began in 2011. RTM has secured several rebates from utility companies that would have gone unreimbursed. In addition, his alternate energy supplier has saved thousands of dollars annually on our electricity bills. In these difficult economic times, organizations need to insure they are managing all expenses. RTM's energy consulting services have not only provided us with refunds and savings, but also with confidence that we are controlling our utility costs.

Sincerely,

Jeffrey Almeter  
Comptroller
